

Department of Computer Science and Engineering

Department Handbook
Academic Year 2025-2026

Welcome

Welcome to the Department of Computer Science and Engineering. Our department is committed to providing quality education, research opportunities, and practical experience to prepare students for successful careers in software engineering, artificial intelligence, cloud computing, cybersecurity, and data science.

Vision

To become a center of excellence in computer science education, research, and innovation by producing highly skilled graduates capable of solving real-world problems.

Mission

1. Deliver high-quality education through modern teaching practices.
2. Encourage research and innovation.
3. Promote industry collaboration.
4. Develop ethical and responsible engineers.

Office Hours

Department Office Timing:
Monday to Friday
9:00 AM - 5:00 PM

Lunch Break
1:00 PM - 2:00 PM

Saturday
9:00 AM - 1:00 PM

Sunday
Holiday

Attendance Policy

Students are required to maintain a minimum attendance of 75 percent in every course.

Students falling below 75 percent attendance may not be eligible to appear for semester examinations unless they receive approval from the Head of Department under exceptional circumstances.

Medical leave should be supported with valid medical certificates.

Attendance records are updated every week.

Identity Card Rules

Every student must carry their identity card while entering the campus.

Students without identity cards may be denied entry to laboratories, libraries, and examination halls.

Lost identity cards should be reported immediately to the department office.

Laboratory Rules

Food and drinks are prohibited inside laboratories.

Students must switch off computers after practical sessions.

Unauthorized software installation is prohibited.

Laboratory equipment should be handled carefully.

Students are responsible for any damage caused intentionally.

Library Rules

Books can be borrowed for 14 days.

Late returns attract a fine of Rs. 5 per day.

Reference books cannot be issued outside the library.

Maintain silence inside the library.

Faculty Advisors

Each student is assigned a faculty advisor.

Faculty advisors help students regarding

- Academic performance
- Course registration
- Career guidance
- Internship opportunities

Students are encouraged to meet their faculty advisor at least once every month.

Internships

Students should complete at least one internship before graduation.

Internships should be approved by the Training and Placement Cell.

Internship completion certificates must be submitted before the final semester.

Placement Cell

The department placement cell organizes

- Resume workshops
- Mock interviews
- Coding contests
- Company recruitment drives

Students should regularly monitor placement announcements.
